PUBLISHERS NOTE

The information in the Directory is gathered by an actual canvass and is compiled in a way to insure maximum accuracy.

The publishers cannot and do not guarantee the correctness of all information furnished them nor the complete absence of errors or omissions, hence no responsibility for same can be or is assumed.

The publishers earnestly request the bringing to their attention of any inaccuracy so that it may be corrected in the next edition of the directory.

Hill Directory Company, Publishers

INTRODUCTION AND GENERAL INDEX

HILL DIRECTORY COMPANY, publishers of Southeastern Directories (publishers of the Plymouth Directory since 1960), present to subscribers and the general public, this, the 1971 edition of the Plymouth City Directory. (In all, HILL DIRECTORY COMPANY and its affiliated companies publish more than 1,400 City, County, State and National Directories).

Confidence in the growth of Plymouth's industry, population and wealth, and in the advancement of its civic and social activities, will be maintained as sections of this Directory are consulted, for the Directory is a mirror truly reflecting Plymouth to the world.

The enviable position occupied by HILL'S Directories in the estimation of the public, has been established by rendering the best in Directory service. With an unrivaled organization, and having had the courteous and hearty cooperation of the business and professional men and residents, the publishers feel that the result of their labors will meet with the approval of every user, and that the Plymouth Directory will fulfill its mission as a source of authentic information pertaining to the community.

Five Major Departments

The five major departments are arranged in the following order:--

I. THE BUYERS' GUIDE constitutes the first major department of the Directory, printed on yellow paper. In the first section of this department, grouped under appropriate headings, are included the advertisements and business cards of firms and individuals desiring to make a complete presentation of their products or services. Following this is the Classified Business Section, which embraces a list of the names and addresses of all business and professional concerns of the community, arranged in alphabetical order under appropriate headings—a catalog of all the activities of the community. The Buyers' Guide represents reference advertising at its best, and merits the attention of all buyers and sellers seeking sources of supply or markets for goods. In a busy and diversified community like Plymouth, the necessity of having this kind of information up-to-date and always immediately available, is obvious. The Directory is the common intermediary between buyer and seller, and plays an important role in the daily activities of the commercial, industrial and professional world.

II. THE ALPHABETICAL LIST OF NAMES of residents, business and professional concerns is the second major department, printed on white paper. This is the only record in existence that aims to show the name, marital status, occupation and address of each adult resident of

Plymouth, and the name, official personnel, nature and address of each firm and corporation in the community.

III. THE DIRECTORY OF HOUSEHOLDERS, INCLUDING STREET AND AVENUE GUIDE is the third major department, printed on green paper. In this section, the numbered streets are arranged in numerical order, followed by the named streets in alphabetical order; the numbers of the residences and business concerns are arranged in numerical order under the name of each street, and the names of the householders and concerns are placed opposite the numbers. The names of the intersecting streets appear at their respective crossing points on each street. Special features of this section are the designation of owner-occupied homes, the listing of telephone numbers, and Zip Codes.

IV. THE NUMERICAL TELEPHONE DIRECTORY is the fourth major department, printed on blue paper.

V. THE RURAL ROUTES DIRECTORY is the fifth major department, printed on white paper.

Municipal Publicity

The Directory reflects the achievements and ambitions of the city, depicting in unbiased terms what it has to offer as a place of residence, as a business location, as a manufacturing site, and as an educational center. To broadcast this information, the publishers have placed copies of this issue of the Directory in Directory Libraries, where they are readily available for free public reference, and serve as perpetual and reliable advertisements of Plymouth.

There are more than 800 of these Directory Libraries, installed and maintained in cities and towns throughout the United States, Canada, and Puerto Rico through the courtesy of your publisher.

The publishers appreciatively acknowledge the recognition by those progressive business and professional men who have demonstrated their confidence in the City Directory as an advertising medium, with assurance that it will bring a commensurate return.

CAUTION

Pay no money in advance to itinerant Directory Canvassers. We are led to mention this from the fact that certain parties have been fraudulently using our publications as specimens, and by that means collecting money in advance. Before signing an order, see that it has the name of R. L. Polk & Co. printed thereon. We ask no payment until the work is delivered, and our solicitors have strict orders not to take payment for either advertising or subscriptions.

GREATER PLYMOUTH

“WHERE HOSPITALITY THRIVES”

(Courtesy of Plymouth and Washington County Chamber Of Commerce)

Statistical Review

FORM OF GOVERNMENT--Municipal, Council-Manager, Incorporated as a town, 1807.

POPULATION--4,774 (1970 U. S. Census); local estimate at present, 7,512.

AREA--2.61 square miles.

ALTITUDE--19.50 feet above sea level.

CLIMATE--Mean annual temperature, 59.9 degrees F.; average annual rainfall, 51.15 inches.

ASSESSED VALUATION--\$8,750,000, with \$1.80 per \$100 tax rate.

BONDED DEBT--\$790,000.

FINANCIAL DATA--2 banks, and 2 savings and loan associations.

POSTAL RECEIPTS--\$103,541.67.

TELEPHONES IN SERVICE--2,025.

CHURCHES--20, representing 11 denominations.

BUILDING AND CONSTRUCTION--Building permits issued in 1970 was valued at \$158,920.

REAL ESTATE--Number of homes, 2,500 with about 62% owned by occupants.

INDUSTRY--Chief industries of the city and surrounding territory are manufacturing, agriculture and lumbering. Number of manufacturing establishments 7, employing 3,200 persons. Principal manufactured products are paper, plywood, lumber, food and chemicals.

TRADE AREA--Retail area has radius of 15 miles, and population of 13,959. Wholesale area has radius of 15 miles, and population of 13,959.

NEWSPAPERS--Daily 2; Sunday 2; weekly 1.

RADIO BROADCASTING STATIONS--1: WPNC.

MOTELS--4, with total of 90 rooms. Newest motel opened in 1967.

RAILROADS--City served by 2 railroads: Seaboard Coast Line, and Norfolk & Southern.

HIGHWAYS--The following highways run through, or to, the city: U. S. 64 and State 32 and 99.

AIRPORTS--2; Private owned.

AMUSEMENTS--Largest auditorium in city seats 2,000 persons. Number of moving picture theatres 1, with total seating capacity of 400 persons. Number of golf courses 1.

HOSPITALS--1, with total of 36 beds.

EDUCATION--Number of public schools 3; with 1 senior high school (grades 9-12). Number of pupils in public schools, 2,207. Number of teachers in public schools 108. Value of school property, \$1,164,176.

PUBLIC LIBRARIES--1, with total of 12,000 volumes.

CITY STATISTICS--Total street mileage 19.86, with 14.42 miles paved and 1.00 miles under construction. Number of water meters 1,900; light meters 2,800. Capacity of water works, 1,584,066 gallons per day,

with daily average pumpage of 750,000 gallons per day. 16.20 miles of mains, and plant valued at \$1,500,000. Fire department has 2 paid men, with 1 station and 4 pieces of motor equipment. Value of fire department real estate and equipment, \$85,000. Police department has 8 men, with 1 station and 2 pieces of motor equipment.

The town of Plymouth, situated on the southern bank of the Roanoke River eight miles west of Albemarle Sound, is the County seat of Washington County; in the Coastal Plain area of northeastern North Carolina. It is located approximately 130 miles east of Raleigh, 95 miles southwest of Norfolk, Va. and 500 miles south of New York City. Primarily an agricultural area, there are no other communities as large as Plymouth in Washington County. The town was founded in 1780, with the gift of a site by a former resident of Plymouth, Massachusetts, and soon became a thriving shipping point.

Today, this section is mostly concerned with developing its natural resources and utilizing the varied agricultural products of its rich farm lands. The industrial expansion has been encouraged and welcomed by the citizens of the area, and the warm hospitality and neighborliness of the vicinity have made newcomers feel at home.

Plymouth and the adjacent areas are within overnight reach of more than 30 million people, representing a market of well over 70 billion dollars a year.

Climate

Plymouth's relatively mild climate gives the area an unusually long growing season, and its average annual rainfall has been 51.15 inches. The coastal plains are affected somewhat by the modifying influence of the ocean, and consequently reduces the variation in both seasonal and daily temperatures. Average for January is 43.7 degrees, and for July, 77 degrees.

Population

Since the founding of the town, the growth of Plymouth has been moderate but steady. Statistics show a 29.5% decrease in rural population. The population of Plymouth itself has increased 82.4% from 1940 to 1950, the same 10 year period. Showing a definite trend toward urbanization. With a population of 4,774 in 1970, a conservative estimate of today's population would exceed 7,500 inhabitants.

Terrain and Natural Resources

This region, generally flat, is characterized by sandy and sandy loam soil with some fertile, black land. It has been built up by unconsolidated and semi-consolidated sands, gravels, loams, clays and marls of a relatively recent geologic age.

Industrialist have investigated possibilities of recovering ilomite from the black sands in Albemarle Sound for use in paints and pigments.

The total land area of Washington County is 215,040 acres (336 sq. mi.). Approximately 50% of this area is wooded, which amounts to 152,500 acres of forest. Dominant species in this area are second-growth long leaf and loblolly pine. Commercially the chief tree is the loblolly pine. This species replaces the once magnificent forest of long leaf pine that formerly covered the sandy soil of this locality. Among the soft woods there is the Savanna or pocosin pine that is usually found in the swamps; hardwoods found in this area include the oak, hickory, ash, sweetgum and black gum. The deeper swamp lands yield such trees as the gum, cypress, and white cedar, the latter known locally as juniper. These forest resources play a tremendously important role in this county's economy.

Town Government

The Town of Plymouth, incorporated in 1807, has a Council-Manager form of government, with a mayor and six councilmen, elected for two-year terms. Both town and county have a planning commission. Any zoning problems in the town of Plymouth are brought before the Board of Adjustment. There is no zoning ordinance for the county. The tax rate for the town is \$1.80 per hundred, based on 50% valuation. Plymouth has a bonded debt of \$837,000.

Municipal Services

Operating from a modern municipal building in the business district, the City Police Department has a regular staff of a chief, four night officers, and three day officers. In addition, the county sheriff, his deputy and two state policemen are stationed here. Police equipment includes a two-way radio, radio equipped automobiles and network communication with state police facilities. Fire hydrants are located throughout the corporate limits of the town. Three fire trucks are centrally located in the Fire Station next to the municipal building. In addition, the Fire Department has an ambulance to use in emergencies and in rescue operations. A 27-man volunteer fire department holds regularly scheduled drill meetings and municipal employees are available twenty-four hours a day for driving duties should the need arise.

The Street Department, Water and Sewer Departments, and the collection of garbage and refuse are very efficiently carried out under the direction of the city manager with the help of selected crews.

Electricity is supplied in the area by the Virginia Electric and Power Co., which has district and division headquarters in Williamston, N. C., and general offices in Richmond, Va. The company has a capacity of over one and one-third million kilowatts. Electricity is available at 60 cycles alternating current, single and three phase service, and can be supplied at 120-208, 120-240, 480, 2300 volts, or at higher voltages, depending on the customer's requirements and specific locations. Rates for service are comparable with rates in effect elsewhere and compete advantageously with other sources of power.

Modern telephone facilities are furnished the town of Plymouth by the Carolina Telephone and Telegraph Company. The system used is the dial system, and this company has seventy-two toll circuits which are maintained twenty-four hours daily and seven days a week.

Water and Sewage: Plymouth has a municipally-owned water system, supplied from two deep wells, with an average capacity of 1,440,000 gallons per minute. For storage, the town has a new upright tank and pumps, which averages 800,000 gallons per day. A new water pollution control plant is now in operation on the Roanoke River.

Community Facilities

The modern schools which the children of Plymouth and Washington County attend are fully accredited and offer elementary and high school curricula. Special courses, such as music, home economics, vocational agriculture, and commercial subjects are available to both white and colored students. The new high school on Main Street in Plymouth also has several television classes and a gymnasium with a seating capacity of 1600 students.

The Washington County Public Library, located in Plymouth provides ample facilities and service for the surrounding area; providing a bookmobile with scheduled trips to cover the entire county. There is also a Branch Library in town, and a Creswell Branch in Creswell. The local library is open five and a half days a week, remaining open until 9 p.m. two nights each week.

Spiritual fellowship and guidance are found by the residents, locally in churches representing nearly all major denominations. Plymouth has 20 churches, all of which have active, cooperative congregations.

Civic Organizations

There are over 20 active clubs and organizations in Plymouth, including the P.T.A., Rotary Club, Lions, Junior and Senior Chambers Of Commerce, Masonic Lodge, Eastern Star, and Veterans of Foreign Wars. The Plymouth County Club, one of the best in northeastern North Carolina has a nine-hole golf course, swimming pool, club house for members and guests, and is the center of much social and recreational activity locally.

The Annual Water Festival is held on the Roanoke each year, usually in July. This event is sponsored by the Plymouth Junior Chamber Of Commerce with the assistance of other civic groups. Among the features are stunt water skiing, floats and boat races. Another annual event in Plymouth is the completely religious Christmas Pageant held in early December. The pageant is held outdoors and carries the theme of putting Christ Back Into Christmas.

Medical Facilities

The new 34-room Washington County Hospital, plus a roomy bassinnet ward, is located in the town of Plymouth. The practitioners include four medical doctors, resident surgeon, one dentist, optician and chiropractor. Plymouth is fortunate to have a medical clinic in the heart of town which is very well and efficiently staffed with resident physicians and nurses. The Clinic is equipped for major and minor surgery. Physicians are constantly in contact with the clinic through two way radio.

Accommodations

Year around accommodations are furnished by the Plymouth County Club, Horner's Motel, Roanoke Lodge, and Hardens Motel. Other rooms are available in private homes throughout the vicinity.

Communications

The Roanoke Beacon, published weekly in Plymouth, carries local and world news and events. Out of town daily papers are also distributed county-wide. Including New York, Maryland, Pennsylvania and Eastern Virginia publications. Radio Station WFNC began operations in 1959, and serves northeastern North Carolina with high Fidelity AM Radio operating on 1,000 watts and 1,470 kilocycles. It is very well and modernly equipped and operated by a most efficient and capable staff. It has already proven to be a tremendous asset not only to Plymouth, but to the surrounding areas as well.

Recreation and Sports

In and near Plymouth are enough forms of recreation to suit the desires of everyone. The many facilities of the beaches on the Albemarle Sound offer bathing, boating, water skiing, and fishing. There is a motion picture theatre and a lighted baseball park, home of our Little League and Babe Ruth League teams. Dancing and dinners are periodically sponsored by local civic groups. The Recreation Commission of the Town of Plymouth offers a supervised program of recreation for eight weeks each summer.

Fishing and hunting are also very popular locally. Phelps Lake, stocked with bass, and Pettigrew State Park, are a short thirty minutes drive southeast of Plymouth. There are boats for rent at both Phelps and Pungo Lakes, and the bass fishing is unusually good. Quail, geese, ducks and small game, especially squirrels, are plentiful in this area. Bear and deer hunting is extremely good. The many famous Atlantic beaches on the Southeastern seaboard are also within short driving distance of this section.

Industry

In recent years, industrial growth has increased to such an extent in and around Plymouth that manufacturing has surpassed even agriculture in employment. Lumber for wood pulp and other wood products is the predominate type of industry in the county, with the resulting largest employment in the huge Weyerhaeuser plant, which produces approximately 1400 tons of paperboard daily for corrugated shipping containers and milk containers. They also manufacture southern pine plywood and fine paper, which are the new expansions of Weyerhaeuser in Plymouth. The Georgia Pacific Company finds a ready market for its fine plywood in the ever-growing furniture industries of the Carolinas and Virginia.

The True Temper Corp. utilizes the forestry products of the area in the manufacture of handles for tools and equipment; American Cyanamid's plant producing liquid alum markets its products locally. Plymouth Pallet Co., manufactures pallets for use by local industry. The Smith Brothers Chemical Company manufacturers of cleaning fluids and allied chemical products for the dry cleaning industry markets its products nationally. Plymouth Garment Co., manufactures children's clothes. Magnatex Enterprise, manufactures magnetic signs. In addition, The East Carolina Supply Company (mill supplies and associated items), and the Seaboard Gas & Oxygen Service fulfill a definite need for this area.

The people of Plymouth are anxious to expand the county's industrial base and to diversify its economy. Existing industry would also welcome non-competitive industrial growth and the county can assure an adequate labor supply for additional industries. It is believed that the farmer group that has entered the labor market to supplement its present income, would be enlarged considerably if additional industrial opportunities should arise. Some of this areas chief assets are, with respect to industrial development (1) an abundance of available labor; (2) excellent transportation facilities; (3) relatively untapped water resources, both ground and surface; (4) a high level of recreational and educational facilities; (5) a year round outdoor climate that permits low-cost construction; (6) access to an abundance of raw materials; and (7) an atmosphere of hospitable congeniality. Furthermore, the county's makeup fits admirably to meet the recent trend toward decentralization of the nations defense and civilian industry—frequently termed “accessible isolation.” At present there are 17 industrial sites available comprising approximately 1,117 acres of land.

Agriculture

Washington County possesses three main advantages agriculturally; climate, soil, and a proximity to national markets. The mild climate here adds to an unusually long growing season for crops such as peanuts, tobacco, soybeans, potatoes, cotton, corn, truck crops, grain crops and some commercial grape culture. Local drying and storage facilities are at the farmer's disposal. The farms found in this area are largely field crop farms and make up about 33.7% of the total land area. Livestock is becoming an important factor in the area, and we also have important livestock and farming demonstrations and research that is conducted at the Federal State Tidewater Research station, five miles from Plymouth.

Transportation

East and West traffic through Washington County is served by U. S. Highway 64. The movement of through traffic on this highway is facilitated by a new by-pass bisecting the southern perimeter of Plymouth and another by-pass at Roper. State Highways 32 and 99 serve north-south traffic. Highway 32 has junctions with U. S. Highway 17, some 30 miles to the north of Plymouth and with U. S. Highway No. 264, about the same distance to the south. This fine network of roads enables direct

highway travel to the entire East Coast. By contacting the Plymouth Chamber Of Commerce, arrangements can be readily made for travel anywhere by car, bus, rail, plane, or boat.

The Roanoke running back of Plymouth's business district has available docking space and a channel averaging 30 feet in depth, providing the town with excellent possibilities for increased water borne traffic, and is within easy reach of the Intracoastal Waterway from Albemarle Sound. Local citizens and organizations are already attempting to further develop this part of town to the height of its potential.

Commercial Establishments

240 local retail establishments include 2 chain department stores, 2 major chain supermarkets, 2 major chain variety shops, 3 drug stores, a dairy bar, several locally owned ready-to-wear shops, farm supply and equipment agencies, service stations, grocery, hardware, appliance and jewelry stores, boats and sports equipment can be bought in two of the above. Included in the ready-to-wear are two high fashion ladies shops. Plymouth also has three new car dealers, garages and four furniture stores. Service trades include barber shops, beauty parlors, restaurants, florists, cleaning establishments and a soft drink bottling plant.

Six lawyers have offices here along with several insurance agencies and a CPA. Three real estate developers also have offices here.

Thirteen wholesale firms distribute hardware and associated items, building supplies, and petroleum products.

Among the financial institutions are the Branch Banking and Trust Company, The Planters National Bank and Trust Company, the Plymouth Savings and Loan Association and Home Savings and Loan Association of Greenville and Plymouth.

As local businesses remodel and expand, along with our new shopping center. Plymouth is rapidly becoming a most inviting shopping area.

The Chamber Of Commerce

The Plymouth Chamber Of Commerce opened a full time office in 1959. Its membership is made up of business, professional men and farmers in this section; it is set up to include the divisions for industrial, agricultural, civic, tourist and retail departments, which are headed by a committee of able men.

The influence of this organization as a leader in the area, will continue to be behind every progressive movement and to use its agencies for the best interests of the entire community. The management of the Chamber is in the hands of a Board of Directors and a full-time manager. Under the direction of the Chamber, City Manager, Town Council and Mayor, and with the support of every citizen of the community, all are making improvements to make Plymouth a better place for people to live, work and play.

CASHIERS! TELLERS! — CLERKS! —

Do your employers furnish you with
the latest edition of the City Directory?

You need it at your elbow at all times, to protect your company from forgers and bad-check artists. A few questions, checked against City Directory information, will trip them at once. Intelligent use of the City Directory for this purpose has saved thousands of dollars and helped make some cities "too sharp" for bad-check "operators."

Use Our Library of Out-of-Town City Directories

A complete library of out-of-town City Directories is maintained especially for the reference use of our subscribers. We invite you to consult this library of up-to-date Directories when in need of names, addresses, and other information about firms and individuals in other cities.

*This is a part of our service
to local City Directory users*

Out of Sight--Out of Mind

☆ Out of Business ☆

The importance of keeping firm and product names in the public eye is recognized by all business men. It is astonishing to see how a firm or product, however meritorious, will slip into the limbo of the forgotten if not persistently advertised.

The City Directory is the natural medium for keeping a business or product name in the spotlight. *Insist on being well represented in its pages.*

EXPLANATION

Wives names are listed with husbands, the name of the wife is shown in parenthesis following the husband's as follows: Gregory Richd M (Mary L).

In case of a widow by death, wherever possible the name of the deceased husband is shown in parenthesis as follows: Gregory Mary L (wid Richd M).

The occupation and place of employment is listed as follows: Gregory Richd M (Mary L) slsmn Starr Clothing Co.

Names in **HEAVY TYPE** denote advertisers in this City Directory.

Ownership or co-ownership of a firm is indicated by showing the individual's name in parenthesis following the firm name, as follows: Carson Grocery Co (Geo B and Paul N Carson).

A firm name enclosed by parenthesis indicates ownership or co-ownership by the individual whose name precedes, as follows: Carson Geo B (Carson Grocery Co).

The head of the house is indicated by h preceding the street address; other members of the family and roomers are indicated by r preceding the street address.

HILL'S PLYMOUTH

STREET and AVENUE GUIDE
INCLUDING
TELEPHONE NUMBERS, HOME OWNER SYMBOLS
and ZIP CODES
1971

In the following list the numbered streets are arranged in numerical order followed by the named streets in alphabetical order, the intersecting streets being shown. The number of each building on the street is given in numerical order, and opposite the number is placed the name of the occupants or houseowner or tenant. In the business blocks containing offices the occupants are shown by room numbers where practicable, in apartment homes the number denotes the number of the apartment. In all streets both sides of the street are included in one list. The profession or business of individuals or firms is given only at their respective place of business; to find occupation of others refer to Alphabetical List of Names.

The symbol © following a householder's name indicates that we have received information during the canvass that the house is owned by some member of the family, but as the publisher cannot and does not guarantee the correctness of the information furnished, nor the complete absence of mistakes, no responsibility for errors can be or is assumed, nor can the publisher furnish further information than that shown.

Telephone numbers, as supplied to us on our canvass are shown opposite names.

Zip Code numbers are shown immediately following each street description. If a street runs through more than one zone, the new Zip Code number is shown immediately preceding the lowest street number in the new zone.

The numerals that appear at right edge of columns, ahead of street descriptions and some street intersections, are merely for the guidance of the publishers, and have no other significance.

This section includes some listings reading "No Return." In each case the Publishers tried diligently, by various means, to obtain the information for the occupants but were unsuccessful. First, two personal calls were made by an enumerator; next, a double postal card was mailed and the telephone used when possible.

HOW TO USE YOUR CITY DIRECTORY

The major departments in the Directory are arranged in the following order for ready reference:

1. INDEX TO ADVERTISERS
2. INTRODUCTION
3. BUYERS' GUIDE

4. CLASSIFIED
5. ALPHABETICAL SECTION
6. HOUSEHOLDERS' and STREET GUIDE

Particular attention is directed to four symbols as being important contributing factors in supplying complete information. They appear as follows: ALPHABETICAL SECTION, "h"—Householders, "r"—Resident, HOUSEHOLDERS' AND STREET GUIDE, "Δ"—Telephone Subscriber, "©"—Homeowner.

The City Directory Will Answer Your Everyday Questions - - -

About an Individual

How does he spell his name? Alpha.
Is he married? What is his wife's name? Alpha.
Where does he live? Alpha.
Does he own his home? HH & St.
Has he a telephone? HH & St.
Where is the nearest telephone? HH & St.
Who are his neighbors? HH & St.
What does he do for a living? Alpha.
Where does he work? Alpha.
Is he the "head of the house" or a resident? Alpha. HH & St.

How many adults in the family? Alpha. (same address)
Does he own a business? Alpha.
Is he a member of a partnership? . . . Alpha.
Is he an officer in a corporation? . . . Alpha.
Others in the same business or profession? Class.
Is the woman single, married or a widow? Alpha.
What was the name of the widow's husband? Alpha.

About a Business Concern

What is the correct name? . . . Alpha.-Class.
What is the correct address? . . Alpha.-Class.
Just what do they do? Alpha.-Class.
Is it a Partnership or Corporation? . Alpha.
Who are the Partners? (if a firm) . . Alpha.
Who are the chief officers? (if Inc.) . Alpha.
Location of branches Alpha.-HH-Buyers Guide

Others in same or similar lines? . . . Class.
